

Putney Food Co-op Members and Customers

Act Now for climate justice! Join members of your food co-op in pledging to reduce waste and “Slash Your Trash!”

Did you know that the 292 million tons of waste (nearly 1,800 pounds per person every year) generated in the US in 2018 was primarily made up of plastics, paper, paperboard, and food?

As individuals and, working together as a community, we can take steps big and small to reduce our waste.

Participate with your co-op community in April to Slash Your Trash! It’s easily done:

- Pledge to take at least one of the actions to Slash Your Trash.
- Share Your Experience! Use “#SlashYourTrash” and “#NeighborCoops” and “#ActNow on Climate Change” in social media posts.
- Visit <https://www.un.org/en/actnow/> and let the UN know what you are doing to #ActNow on Climate Change!
- Pledge Participants Will Be Entered in two raffles (1st and 3rd week of April)
